THE BOSTON

Saturday Evening Gazette.

THE SOCIETY PAPER OF BOSTON.

THE BOSTON SATURDAY EVENING GAZETTE is peculiarly a Boston paper, and has been for two-thirds of a century the leading family weekly journal of the city. Its circulation is largely among the most intelligent and influential class of readers.

In the discussion of topics relating to

**LITERATURE, POLITICS, ART, MUSIC AND THE DRAMA, SOCIETY,
AND THE GENERAL AFFAIRS OF THE DAY,**

it employs the best writers; and among these are gentlemen and ladies who are recognized as the first authorities in the specialties of which they treat.

The GAZETTE is a special favorite with the ladies. Its "Cut and About" columns contain a larger amount of matter of interest to this class than can be found in any weekly journal in the country, and have given it a reputation in Society circles everywhere. As a hotel paper it stands second to none in extent and thoroughness of information. It is taken in clubs throughout the United States. In fact, as a SOCIETY, HOTEL, and CLUB PAPER it is without a rival.

The GAZETTE gives close attention to local news, and is the only Sunday paper in Boston, except the "Herald," that has the advantage of the Associated Press telegraphic despatches.

As an advertising medium, the advantages of the GAZETTE are obvious, and are widely appreciated. No journal has a more select and desirable advertising patronage; and by the Book Trade, the Hotels of the Country, the Dry-Goods Trade, and in specialties in which the patronage of ladies is solicited, it is most of all sought.

"One of the brightest and most enterprising papers in New England."—*Harper's Weekly*.

"The BOSTON SATURDAY EVENING GAZETTE continues to be conducted with diligent enterprise, and to maintain its claims to the regard of its numerous friends by the diversity and ability manifested in its well-filled columns from week to week."

—*Boston Transcript*.

"The BOSTON SATURDAY EVENING GAZETTE, which has seen the rise and fall of at least a score of newspapers in Boston, keeps on the even tenor of its way without a skip or a break. Its appearance is not suggestive of age, but of perpetual youth, and it holds its peculiar field without a rival."—*Boston Herald*.

RIDGE'S for INFANTS FOOD AND INVALIDS

Has the endorsement of use for 30 years, in England and America, by physicians of all schools in their practice; by asylums, hospitals, as well as by nurses and mothers everywhere.

THE EXTRAORDINARY SUCCESS

That this Food has attained (the sales of which aggregate as much as all other Foods combined,) is due to its intrinsic merit, containing as it does all the elements essential to growth and repair, either in the Infant or Invalid. RIDGE'S FOOD is **not a medicine**, but it is a STEAMED-COOKED Food wherein all the flesh-forming properties are carefully retained. From a chemical standpoint it approximates nearer to human milk than any other preparation.

OLD PEOPLE whose digestive powers are impaired will find this diet invaluable. Many are adopting this article as a DAILY DIET. It is superior and more palatable than oatmeal and other similar preparations, and being thoroughly cooked in its manufacture it does not sour or spoil.

For those suffering from *Indigestion*, and all diseases of the stomach and bowels, it is *unsurpassed*, as its soothing and nourishing properties particularly adapt it to *all conditions* of the stomach.

Ridge's Food is one of the best, cheapest, and most reliable Foods in the world, and thousands of children are saved every year by its use.

In asking for RIDGE'S FOOD, see that you get it. **Take no other.** Can be had almost anywhere. In cans of 35 cents, 65 cents, \$1.25 and \$1.75. WOOLRICH & CO. on every label.

BOSTON FIRE-ALARM TELEGRAPH. — SPECIAL NOTICE.

The fact that an alarm-box is located near their residence, and where the key is kept, should be known to all persons, both male and female; and the simple manner of giving an alarm in case of fire should be a matter of common education. The Board of Fire Commissioners recommend to all persons who may see this notice, that they make the necessary inquiries, to enable them, in case of need, either to get the key, and give an alarm, or to direct others to do so. *Time saved* in this way may sometimes prevent a conflagration.

In case of fire, follow these

DIRECTIONS.

Get the key to the nearest box to the fire.

Open the box; pull the hook all the way down ONCE, and let go.

Wait *one full minute* for the sound of the bells.

If you hear no sound, *pull again*, and the *third* time if you get no sound.

If you fail the third time, go to the next nearest box, and do the same there; but do not touch any other box if the nearest one gives the alarm.

After giving the alarm, remain a while if *possible* by the box, so as to direct the firemen to the fire.

SECOND ALARMS.—No person will give alarms for the same fire (after the first alarm has been given), without an order from an Engineer; and the person so ordered will be *sure* to go to the *same box* from which the first alarm was given, and report the same to the Chief Engineer. *If, however*, a fire breaks out while another is burning in a different section of the city, a *second* alarm can be given by a Police Officer without waiting for an order from an Engineer.

CAUTIONS TO PERSONS HOLDING SIGNAL KEYS.

1. Never open the box or touch the apparatus except in case of fire.
2. Never sound the alarm for a fire seen at a distance.
3. Be reasonably sure there is a fire before sounding the alarm.
4. Be sure your box is locked before leaving it.
5. Never let the key go out of your possession, except to some responsible person to give an alarm of fire; and be sure the key is returned.
6. *If you remove from your house, or place of business, return the key to the Fire-Alarm Office without delay.*

OPINIONS FROM GOOD QUARTERS.

NEW YORK.

Hub Punch is growing in favor among our customers, and we hear many complimentary opinions on its merits. The increasing popularity of the article is pleasant testimony to your success in using exclusively the *best and purest* components.
PARK & TILFORD.

Dear Sirs:—The increased sales of Hub Punch among our always *most critical consumers* is evidence of its *superior merit*.

Yours truly, ACKER, MERRALL & CONDIT.

BOSTON.

The sales of Hub Punch have greatly exceeded our expectations, and are constantly increasing.
S. S. PIERCE & CO.

The constantly increased demand for your Hub Punch satisfies us it possesses real merit.
JOHN GILBERT, Jr., & Co.

TO LOVERS OF GOOD THINGS;

Boston, Nov, 1880.

Hardly fifteen months have elapsed since we first brought Hub Punch to general notice through the public press. Hardly a day now passes but that orders come for shipment of our preparation, in lots of from 12 to 50 cases, to points 2,000 miles from Boston, and to points where we have never advertised a dollar. To the question, “What is it like?” we will say it has a character of its own; it is unlike any other Punch. It is as good as can be made from *Pure Liquors* of our own importation. Our word for it, its character and present high standing shall be maintained at all hazards.

TURKISH BATH,

17 BEACON STREET,
BOSTON.

THE BEST IN THE COUNTRY.

DR. AUSTIN FLINT, of New York, says: "As a remedy for sleeplessness, Hot-air Baths are better than bromides, chlorals, or opiates."

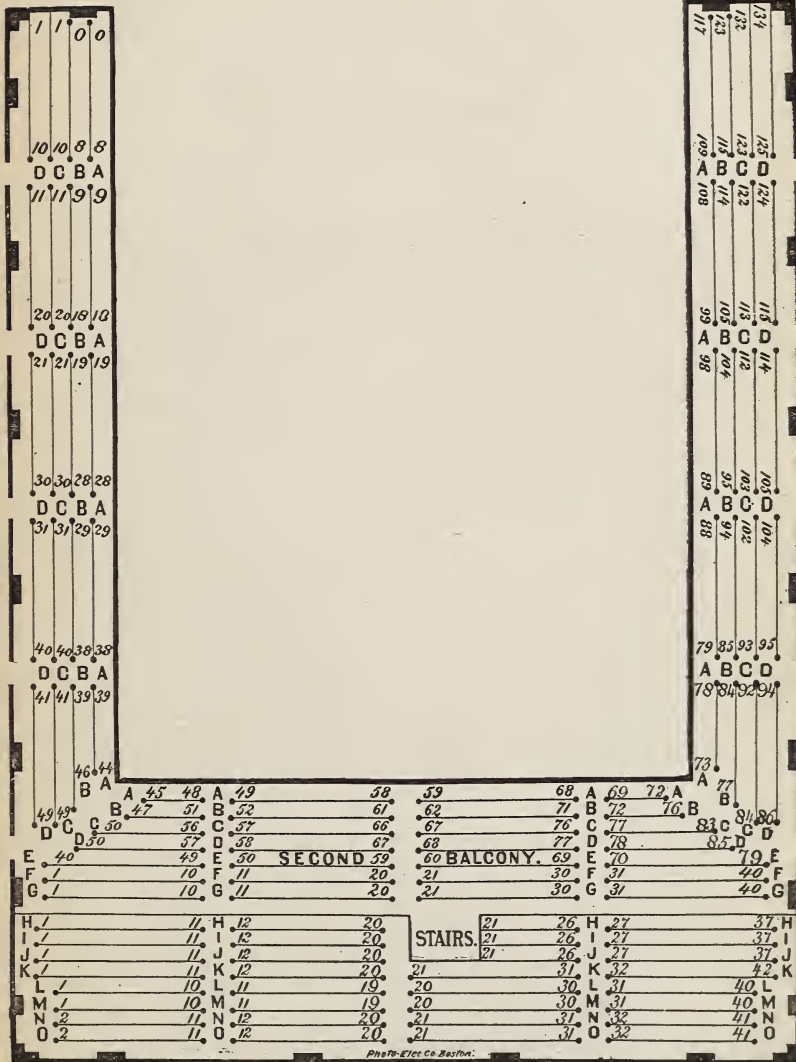

DR. HAMMOND, of New York, Surgeon-General U.S.A., and the highest authority on diseases of the nerves and brain in America, says: "In many affections of the nervous system, and in cerebral congestion, Turkish Baths cannot be too highly commended."

DR. LEWIS A. SAYRE, the eminent New York surgeon, after repeated trials of the bath, in his own person and in his patients, sums up thus: "When the medical profession arrive at a thorough knowledge of Hot-air Baths, they will prescribe baths more, medicine less, and be of more service to their patients."

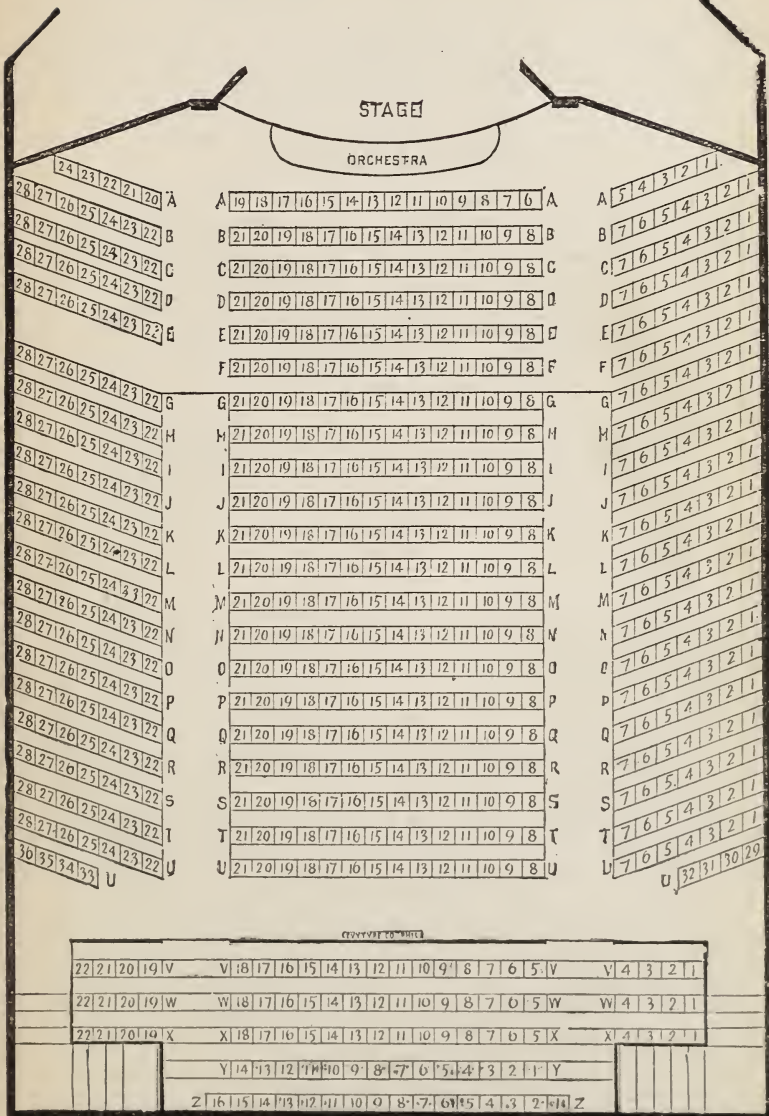

SIR BENJAMIN BRODIE declares that "The Hot-air Baths are of great use in dyspeptic and gouty habits, and for those who lead inactive lives."

 The Turkish Bath is the greatest luxury ever devised by man. You enter the bath low-spirited, dull, sore and lame; you emerge happy, elastic, and full of spirit.
